

Worksheet Geography: Continents of the Earth

Name: _____

Date: _____

Continents of the Earth

There are seven continents of Earth:

1. Asia
2. Australia
3. Africa
4. Antarctica
5. North America
6. South America
7. Europe.

It is seen that each continent has a special shape. Some of these continents are connected while the water separates others.

- Level each continent on the map of the world.
